

Todd Uno Launches Music Video Streaming Network, Mäksē On Demand.

Music Video Director & Production consultant Todd Uno Launches New Free Music Video Streaming Network On Roku. Mäksē On Demand.

Atlanta, Georgia Apr 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - A new and exciting network /streaming platform for the millennial television viewer with an insatiable appetite for groundbreaking shows. Currently streaming popular music videos 24/7, Mäksē will add on-demand content such as movies, tv-series, cartoons, urban news, etc.

Created by veteran radio producer/film director Todd Uno, and veteran tv producer Brian Jones. After creating some of the most innovative visuals and television shows for other networks, Mäskē On-Demand is now accepting & creating content for its own network. They have curated music videos, short films, features, and exclusive interviews that have already set the tone that the network will be a force to be reckoned with. Be sure to be on the lookout for them as they will be live on Fire tv, Apple tv, Samsung tv, & Lg Tv this summer, making them available and easily accessible in more homes.
