

Tushin Shah, DDS, a Dentist with Ascent Dental Care

Get to know Dentist Dr. Tushin Shah, who serves patients throughout the State of Massachusetts.

New York City, New York Apr 28, 2022 ([Issuewire.com](https://www.issuewire.com)) - An excellent dentist, Dr. Shah is affiliated with Ascent Dental Care, seeing patients at their offices in Longmeadow and East Longmeadow, Massachusetts.

“My mission is to make a positive difference in the lives of children, adolescents, adults, and the elderly by offering the highest quality care in a comfortable and friendly environment while utilizing cutting edge technology and individualized treatment plan. I will work to ensure patients play an important role in their own care, understand their treatment plans and focus on disease prevention, so we can work together to spread healthy smiles” expressed the doctor.

With a broad educational background, he graduated from the Bharati Vidyapeeth University Dental College and Hospital in Pune, India. Upon relocating to the United States, he completed a 3-year advanced placement program at New York University College of Dentistry with Honors in Implant Dentistry and Public Health Policies.

In order to remain up to date in his field, Dr. Shah is an active member of the American Dental Associations, the Advanced General Dentistry, the American Academy of Implant Prosthodontists, the American Academy of Implant Dentistry, the Massachusetts Dental Society, the Valley Dental Society, and the American Academy of Dental Sleep Medicine.

Throughout his career, he has continued his training by attending numerous hands-on programs and exams after his graduation which allowed him to receive his Fellowship from the American Academy of Implant Prosthodontists and A Qualified dentist status by the American Academy of Dental Sleep Medicine (AADSM). He is one of the 5 dentists in western Massachusetts to be qualified to make sleep apnea appliances by AADSM standards.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

In his spare time, Dr. Shah enjoys playing tennis, skiing, traveling, and trying various cuisines. He also has a love for football, basketball, and cricket.
