Greater Noida, Uttar Pradesh Apr 26, 2022 ([Issuewire.com](https://www.issuewire.com)) - Compete and Grow To Earn A Place at Best College: KCC ITM

Best performers in JEE Main will get the chance to secure admissions in the first counseling session.

However, there are other provisions for students who seek direct admissions, lateral entry, or merit-based admissions. Students are also invited based on their performance in the 12th standard and only candidates who scored above 60% in PCM subjects can apply for the admission process. Meritorious candidates can get scholarships based on their 12th grades at the KCC Institute of Technology and Management.

Check out the important changes made by NTA for the upcoming JEE Main 2022 exams.

What's New in JEE Main 2022?

- NTA has made numerous changes for JEE Mains 2022 this year. Candidates can find more information in the table below.
- Marking Scheme: This year, the NTA has also implemented negative marking for section B. There was no negative marking in numerical type questions previously.
- Increase in exam centers: The National Testing Agency (NTA) has expanded JEE Main 2022 exam centers to 501 cities in India and 13 centers abroad. When filling out the JEE Main 2022 application form, applicants will be able to select up to four exam centers.
- A number of attempts: The NTA has decided to hold the JEE Main 2022 exam in two sessions this year, in April and May.
- After the application process is completed, NTA will provide a correction window for the JEE Main application.

JEE Main 2022: Student-Related Questions

Q: What is the deadline for submitting the JEE Main application form for 2022?

[KCC ITM](#) will receive students based on their performance in JEE Main for counseling and the admission process. The institute will release cut-off marks soon after the initial phase of counseling is complete. Students who scored above the cut-off marks can apply for admission in the later period of counseling.

NRI Admissions

NRI candidates are eligible for 5% of management positions. NRI seats will be filled in accordance with

AICTE and University regulations, i.e. by NRIs who have passed the qualifying examination in Physics, Chemistry, and Mathematics from an institute located outside India, provided that such qualification is recognized by the Association of Indian Universities as equivalent to the 10+2 Examination.

Scholarship Programs

Scholarships are available at KCCITM and are listed below.

- Scholarship for Minorities (MOMA)
