

"uzone's makeup" is ready to set big beauty trends for upcoming years, at Kolkata and various other cities in India

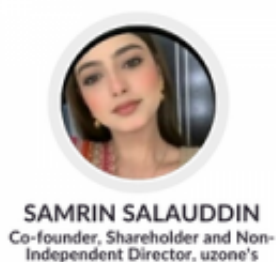

kolkata, West bengal Apr 22, 2022 ([Issuewire.com](https://www.issuewire.com)) - uzone's makeup, India's startup leading makeup services and academy platform. There are all types of makeup services and courses available at very reasonable prices. With sustainability, creativity, and innovation at the forefront, each look has been exclusively created by the National creative Co-founder Samrin Salauddin and her teams at uzone's makeup to improve its services day by day.

The "uzone's makeup" trendsetting hair, makeup collections, designed and curated by the uzone's backstage, will set beauty trends for the coming year.

On the makeup front, the collection is all-inclusive – ultra minimum to OTT maximal looks, powerful tinted brows, and bright eyeshadow hues to strong, bold, and standout, glass skin, experimental glitter eye makeup, and much more.

"uzone's makeup" brings backstage expertise and experience of uzone's beauty fashion Week to modern Indian women through a team of highly trained professional stylists. With professionally trained hair and makeup experts with countless shows under their belt and outstanding skin services, "uzone's makeup" offers customers a distinct portfolio of services and backstage rituals presented in a unique Runway Secrets menu.

The makeup beauty packages, different types of hairstyles, and courses are available at "uzone's makeup".
