Lincoln, Nebraska Apr 27, 2022 ([Issuewire.com](https://www.issuewire.com)) - WHC is super excited about the launch of a few new [adventure hats and caps](#) for the summer days ahead. From the busy wintertime to the current spring/summertime, we're always looking and thinking for the next creative hat or cap to launch. With that said, we recently launched our Sasquatch Wild Hat.

[Sasquatch Foam Mesh Trucker Hat.](#) \$23

A Foam Mesh Hat Printed with Our New Sasquatch Logomark - Pinch Front 5 Panel, Flat Bill, 3mm Rope Decoration, Mesh Back Panels & a Classic Snapback.

[7 Panel Trucker Adventure Hat.](#) \$23

This hat features a clean-cut & sewn 7-panel construction that blends two vastly different styles into one uniquely wearable piece. With a flat bill, mesh back & classic snapback, these bad boys are perfect for any occasion.

Don't forget the ever-popular camp/snowboarding/biking accessories page - [Adventure Accessories ->](#)

We look forward to getting you the best customer service and the coolest hats for adventure sports that are on the market today.

Note: All designs and production are done in-house and our goal is to be able to donate a % of sales to trails and parks communities.

Thanks again - Cheers!
