

Wishing Horse Productions Hosts Austin Outdoor Escape Room Event

Wishing Horse Productions Hosting an event in Austin Texas

Austin, Texas Apr 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - Local Austin startup Wishing Horse Productions is hosting an outdoor escape game and scavenger hunt this spring. Wishing Horse Productions wants to get groups of friends and family to participate in their immersive in-person Escape the Box experience. The event will be held in East Austin (location and meeting place to be determined) on April 30, 2022, at 1 p.m CT. Wishing Horse Productions wants to showcase an essential Austin neighborhood, highlight

the area's exceptional public art and drive people to the many restaurants and venues in the vicinity.

Escape the Box immerses you in a time travel-themed adventure. The goal? To get back to the present. **It is a location-based, story-driven scavenger hunt and escapes game that offers something for everyone.** The roughly two-hour game allows teams to see Austin from a local perspective while using beautifully designed tools. The hilarious journey culminates in a delightful final challenge using pieces from each clue. You will learn a lot, have fun, and, most importantly, create lasting memories that go beyond more conventional activities. Not only will your team have the time of your lives, but also leave with unique takeaways including novelty prizes, a curated collection of photos, and maybe even a DeLorean!

"As the world continues to reopen, people are looking for high-quality real-world experiences that are truly engaging. Escape the Box invites groups to explore, collaborate, and bond. In a time when small businesses need support from the community, we propel people to interact with public art and spend their dollars locally. We are eager to bring this genuinely interactive activity to locals and tourists in the safest, most adventurous way possible!"-Mark Downs, Wishing Horse Productions Cofounder.

Escape the Box is open for 15 teams of 4-10 people each, so reserve your spot now!
