Entrepreneur

Lucknow, Uttar Pradesh Jun 1, 2022 ([IssueWire.com](https://www.issuewire.com)) - *You don't need to be old, rich, or a genius to become an entrepreneur. Sometimes, you just need to be smart and seize every opportunity that comes your way. Meet Aman Kanojia, the 18-year-old Indian boy who became a co-founder of a company at age 18. With his passion for Artificial Intelligence (AI), machine learning, and natural language processing, Aman has developed skills in coding at the young age of 14. In fact, he started reading textbooks on these subjects in 10th grade! This article will give you insight into how Aman found his way into becoming a co-founder by the time he turned 18. Read on to find out more...*
