

Brianna Sapp, FNP, a Family Nurse Practitioner with Savannah Facial Plastic Surgery

Get to know Family Nurse Practitioner, Brianna Sapp, who serves patients in Savannah, Georgia.

New York City, New York May 18, 2022 ([IssueWire.com](https://www.issuewire.com)) - Brianna is a licensed family nurse practitioner working at Savannah Facial Plastic Surgery. She specializes in plastic surgery, reconstructive surgery, cosmetics, injectables, and laser treatments, as well as remains affiliated with St. Joseph's/Candler.

A native of Savannah, she graduated with her Bachelor of Science in Nursing degree from The College of Coastal Georgia in 2009. She then went on to earn her Master of Science degree from South University in 2018.

Attributing her success to hard work, dedication, willingness to put in the work, and wanting to do better, Brianna holds certifications in Advanced Cardiac Life Support (ACLS) and Basic Life Support (BLS - not intended for postnominal use). She is also an active member of the American Association of Nurse Practitioners and the International Society of Plastic and Aesthetic Nursing.

A Family Nurse Practitioner (FNP) provides continuing and comprehensive healthcare for the individual and family across all ages, genders, diseases, and body systems. FNP's maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.
