

By Cruise Or By Air, New-Zealand-Visa Can Provide You The Nzeta In Less Than 72 Hours

Auckland, New Zealand May 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - Situated in the Southwestern Pacific Ocean, New Zealand is a country that is admired by tourists from all around the world. Well, veteran agency **new-Zealand-visa** has been working at its optimum level to issue visas to foreign nationals from many countries. The agency has established its name as a specialist in issuing **NZETA** (New Zealand Electronic Travel Authorization). The process includes 60 eligible countries that fall under the category of Visa waiver countries. The process was initially launched back in 2019 by the Immigration Agency, Government Of New Zealand which made it obligatory for citizens from all the 60 visa waiver nationalities to obtain the **New Zealand ETA**.

Being a completely online process, the agency offers all the applicants an online method for filling up the form, which is available in [New Zealand eTA application form](#) section on their website. The form is easy to fill up as it hardly requires 5 minutes. Applicants need to provide a valid passport number and contact information such as address and email with declarations of health and character to fill-up the form. Another important detail that must be noted is that all citizens can apply for the New Zealand eTA if they are coming by cruise ship, while only citizens of 60 nationalities can apply for it if coming by air. The payment process after the form submission includes debit card/credit card or even PayPal modes of payment.

The online process of applying for the Visa makes it even more convenient as you can receive your NZeTA via provided email address. The agency recommends every applicant apply for the New Zealand Visa 72 hours before their travel plan to the country. Purposes of a visit to the country include causes like business and tourism. The eVisa for New Zealand is valid for a period of 2 years and can be used for multiple visits. The agency also offers its services in issuing a transit visa for New Zealand if you are stopping at Auckland International Airport before flying off to your destination.
