

Clear Credit Solutions Continues Supporting National Finance Brokers Day

National Finance Brokers Day, a great day for a great cause.

Coffs Harbour, New South Wales May 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Director of Clear Credit Solutions, Peter Cole, has chosen to sponsor National Finance Brokers Day since its inception back in 2015 and firmly believes in supporting mortgage and finance brokers all around Australia.

The National Finance Brokers Day event itself features several speakers including Mark Bouris, Simon Cohen, Graeme Holm, and many more. Each will be contributing to the event in their own way.

"We're proud to continue our support for an event that helps so many people in the industry," states Director, Peter Cole of Clear Credit Solutions.

More and more people are turning to finance brokers for help with their financial needs, whether it be mortgages, loans, or other types of credit. That is why Clear Credit Solutions has chosen to continue supporting the National Finance Brokers Day event, which brings together industry professionals to share knowledge and promote clear, responsible financing practices.

Dino Pacella established the event to help educate consumers on the advantages received by dealing with a broker along with the full-service proposition that these professionals bring to the Australian market.

With years of experience in the field of [credit repair](#), Clear Credit Solutions understands the importance of good credit and works closely with mortgage and finance brokers all around Australia who are committed to helping their clients achieve their financial goals with a clear credit file.

Whether you're looking for assistance with your finances or simply want to learn more about the mortgage and lending industries, National Finance Brokers Day is a must-attend event that you won't want to miss!

The event takes place Wednesday the 17th of August 2022 and is a ticketed event. For more information on the event itself, you can check out the site: <https://www.nationalfinancebrokersday.com/>
