

Dr. Lovekush Singh Uses a 5,000 year-old Science to Solve 21st Century Problems With the Launch of Meninsta care.

Dr. Lovekush Singh creates history with his unique talent in Ayurveda.

New Delhi, Delhi May 26, 2022 ([IssueWire.com](https://www.issuewire.com)) - Anupam Group India is a Corporate Business Administration and Management in the health and pharmaceutical sector, a fast-growing organization based in New Delhi. In the year 2019 itself, the second and third subsidiaries were created to operate under Anupam Group India, whose names are Anupam Pharmaceuticals and Anup Pharmaceuticals respectively. Anup Pharmaceuticals is responsible for the production of Ayurvedic medicines while Anupam Pharmaceuticals is responsible for selling the manufactured medicines in wholesale and retail markets and eCommerce platforms. Anup Pharmaceutical minds your health and a healthy lifestyle because your health is their first priority. They are constantly trying to be the best for you. They ensure consistency in herbal ingredients and uniformity of all products and every product is developed and formed under the observation of our Ayurveda experts and is approved by the Directorate of AYUSH (Ministry of AYUSH).

Ayurvedic medicines are availed by Anupam Pharmaceutical in wholesale and retail markets in around 15 metro cities across 4 states, while the company has its own eCommerce website at more than 30000 pincodes across the country and its facilities on other platforms like Amazon etc. delivers at their doorstep.

When we asked Dr. Lovekush Singh the reason for leaving the job and wanting to know about his future in this, on which he told us that Anupam Group India has been successful so far and will continue to be successful because we are working according to the rules of the company. Our priority is to ensure that our customers have a healthy life and satisfaction with our products.

He told us that we are moving towards success at a slow pace because when we are doing something new, we are becoming something good, then we take time. The speed automatically increases after a certain amount of time. Provided that if we learn to deal with difficulties easily.

Ayurveda health care services by Dr. LoveKush Singh are also available on multiple platforms including online channels where one can easily get convenience by getting excellent Ayurvedic consultation, and make their routine life healthy and happy both national and international.
