

Dr. Serkan Aygin Clinic – World-Class Hair Restoration Specialist in Turkey

London, England May 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - Every one of us wishes to look our best irrespective of how old we are. We now see that people are losing their hair faster, sometimes at an early age. It is not uncommon to see people in their 30s, struggling with hair loss. Now there are new methods that allow new hair to grow. There are several hair transplant clinics available in the world, with one of the most famous being The Dr. Serkan Aygin Clinic in Istanbul, Turkey.

What does the Dr. Serkan Aygin Clinic offer?

Dr. Serkan Aygin has over 25 years of experience in the field of hair transplantation and restoration. His clients are testament to the high-quality services he provides at reasonable prices. With an all-inclusive package, the Dr. Serkan Aygin Clinic has served clients from over 100 nations, leaving no questions in their minds. At the Dr. Serkan Aygin Clinic, you get:

- **Various Hair Transplant Methods Offered**

The condition of hair loss depends on the lifestyle of the patient in question. Every one of them has different experiences and expectations when they come for a transplant. To make it a success, a reputed and experienced doctor with a team of healthcare professionals is a must. At the Dr. Serkan Aygin Clinic, patients get the options of DHI, FUE, and laser therapy for hair restoration.

- **Guaranteed Growth Rate and Final Results**

The Dr. Serkan Aygin Clinic has received recommendations and positive testimonies from all around the world, with over 15000 patients from around the world voicing their positive opinions about the clinic. While the results of the procedure can vary according to the patient's hair quality and texture, Dr. Serkan Aygin Clinic has managed to maintain a 98% growth rate.

- **A Stress-Free Experience**

Patients going through hair transplants normally require a lot of rest, post-procedure care, and medications to ensure a proper recovery. The all-inclusive hair-transplant package offered by Dr. Serkan Aygin Clinic takes care of everything. It includes a 3-night stay at a luxurious hotel, food, and transfers by cars, all handled by the clinic's professional staff.

- **Skilled Professionals**

All patients at the Dr. Serkan Aygin Clinic are handled by the highly trained staff present there, ensuring that the patient's well-being and comfort are priorities. The clinic offers primary consultation ahead of the hair transplant procedure, where Dr. Serkan's team prepares customised treatments on a patient-by-patient basis.

- **Medical Experience**

The most important factor when choosing hair transplant clinics is to ensure that they are run by doctors who can offer the best expertise and skills. In this case, Dr. Serkan Aygin is a highly skilled and

experienced professional in hair restoration who won the European Award in Medicine back in 2019.
