- **Detailed introduction of Leawo Ultimate DVD Toolkit& How to get it with a 60% off discount?**

Leawo Ultimate DVD Toolkit contains 3 different sub-modules inside: Leawo DVD Ripper, Leawo DVD Copy, and Leawo DVD Creator.

Leawo DVD Ripper: This module is designed to decrypt, rip and convert DVD to video/audio files in 180+ formats for all media players and devices, with a DVD video editor and 3D creator inside.

Leawo DVD Copy: As one of the best powerful DVD copy tools, Leawo DVD Copy can backup DVD movies with 6X higher copying speed while the original quality will be retained, preserving all elements in source movies such as subtitles, chapters, video dot frames, etc. People can also copy 3D Blu-ray movies with 3D effects preserved in the output movies. There are 3 copy modes that can be selected including Full Movie mode, Main Movie mode, and Custom Movie mode. While users can choose specific titles to be backed up when they select the copy mode, Full Movie mode and Main Movie mode can save source chapters in the output.

Leawo DVD Creator: It is capable of converting and burning video/pictures/ISO image files to DVD disc, folder, and/or ISO image files, with a video editor, menu designer, and other features.

This powerful toolkit is now available with up to a 60% discount on the 2022 Mother's Day Activity, which means that users only pay \$47.94 for a lifetime license. This discount is available for both Windows and Mac versions. The approach to getting this bundle is extremely easy, just hit the button "Buy Now" in red, and it will show the discounted total price on the check page.

Last but not least, Leawo also offers a 30% off sitewide coupon code for people to get a 30% discount on other products, which will be valid for all products on the official website.
