

Fill Canada Visa Online Application Form to Visit Your Favorite Destinations in Canada

Vancouver, British Columbia May 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - As per the agreement between USA and Canada, from August 2015 onwards Canada started the Visa Waiver program for certain Visa-exempt nations. The citizens of the countries can travel to Canada by simply applying for an eTA (Electronic Travel Authorization Document) or Canada Visa online. The Canada Visa online is a visa waiver document for the citizens of the eligible countries to visit Canada. This document gets you rid of going to the embassy several times to complete the procedure. From applying for the visa to its delivery; everything is done online within 5 minutes.

The Canada Visa Online or eTA is valid for five years. However, you can stay in the country for 180 days per stay. The e-Visa is valid for tourism, business, and transit purposes only, and you are eligible to enter the country anytime within the validity period. **CANADA VISA ONLINE APPLICATION** is simple and easy. To fill out the form, click on the link- <https://www.canada-visa-online.org/application-for-canadian-visa-online>. In the application form, you need to fill in the personal details. After filling out the details, you need to complete the payment for the application through a credit card, debit card, or PayPal.

After the payment is complete, your application is submitted. Once the application procedure is complete on the website <https://www.canada-visa-online.org/VISA/>, it is checked and verified by the Immigration, Refugees and Citizenship Canada (IRCC). The authority checks your identity and verifies your eligibility to enter the country. The verification is done within 24 hours. However, you are advised to apply at least 72 hours before to avoid any uncertain delay. The decision made by the authority about your entry is sent directly to your registered email ID.

Once the decision is made, you can keep the record on your mobile, and show the proof during boarding the ship or Airplane. No stamp is needed on the passport as the immigration staff can check your visa on Computer. You must ensure that you put your name, date of birth, and address correctly before submitting the form to avoid rejection.
