

FourThirtyThree Mobile Sports Game Boxing Star Update!

Be a Super Human, Bio Gear Update!

Seoul, South Korea May 30, 2022 ([Issuewire.com](http://www.Issuewire.com)) - Today, Publisher and mobile game developer FourThirtyThree Inc. (4:33) introduced a fresh Bio Gear update to Boxing Star. The newly added Bio Gear is a computer chip equipped with biotechnology that can be inserted into a character's body. Five chips are available: Sting Bee / Wide Step / Shark Jaw / MegaPunch and the GBCA Chip.

When characters are equipped with Bio Gear, they can activate a Super Combo by entering combinations of up to four action sequences.

Along with the Bio Gear Update, the Rival Mode has undergone an exciting major improvement. Players can now change gears before the match.

Players will receive tons of rewards just by accessing the game daily. The daily in-game rewards that are up for grabs include gold and costume bags.

Developed by 4:33, Boxing Star features an immersive story and interactive gameplay in which players fight their way through multiple tournaments. Boxing Star has more than 50 million downloads on Google Play.

For more details on all these recent updates, visit the official Boxing Star Facebook page.
