

Global Chamber of Business Leaders opens India Office, appoints Vertex Group Founder – Gagan Arora to Strategize Growth

GCBL India office to offer an excellent infrastructure for GCBL's education and development activities and will serve to support local GCBL chapters in the Indian federal states.

Zurich, Switzerland May 19, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Global Chamber of Business Leaders expands its global footprints and announces the commencement of the India Office in Delhi NCR, Gurugram earlier this month. The Chairman of the Global Chamber of Business Leaders - Mr. Dejan Stancer, has appointed Mr. Gagan Arora, Founder & President of Vertex Group and Global Chamber of Business Leaders' Delegate for India, to lead the India Chapter in recognition of his tireless efforts and valuable strategic inputs in the expansion of the Global Chamber of Business Leaders in India.

The establishment of the Global Chamber of Business Leaders office in India will enable new prospects and improve service in the Asia-Pacific region. The new Global Chamber of Business Leaders India office will provide the ideal setting for collaborative work with international teams. This will also aid in ensuring the sustainable well-being and prosperity of businesses in a disruptive and ever-evolving

global market with more space and access to a bright workforce in India.

Through the formation of the India Chapter, the Global Chamber of Business Leaders will allow its members to build and expand their global networks, explore opportunities for business expansion across global markets, form mutually beneficial collaborations, and play an active role in shaping and transforming sustainable business for the future. It will also cater to professional networking, market expansion, knowledge sharing, mentoring, and professional opportunities across international platforms.

“The goal of the Global Chamber of Business Leaders in India is to bring together business leaders, government officials, and entrepreneurs from around the world in the global marketplace to share knowledge, facilitate business collaboration, and collaborate to be part of the global solution in this new and disruptive business environment, recognizing the need of combining innovative business models and best practices with long-term sustainability goals. Governing, developing policy, and growing our businesses in a way that has a beneficial influence on our global economy is our global mandate. Gagan Arora GCBL Delegate for India, is especially credited for opening the office. Gagan put in a tremendous amount of effort and his time so that the representative offices in this elite location could also be opened quickly. Gagan represents a strong pillar of development of the GCBL in India and in general, for which we at GCBL, sincerely thank him said Mr. Dejan Stancer, Chairman - Global Chamber of Business Leaders and President.

Mr. Gagan Arora, Founder, and President of the Vertex Group and the Delegate of the Global Chamber of Business Leaders - India will manage the strategy and transformation in the Asia Pacific regions. He also chairs the Delhi Chapter of the Foreign Investors Council and Director-Global Education serving 52 countries for the Asia Arab Chamber of Commerce. He has led the growth of Vertex Group into 7 countries in just 5 years, which has been acknowledged by the industry and earned him many accolades including the World's Greatest Leaders Award 2021-22 by Asia One in collaboration with CNBC, Asia's Greatest Leaders Award 2020-21, Best CEO of the year seven times in a row and topped the GMI and Forbes list amongst Top 100 Influencers in India two times in a row.

At the opening of the India Office of the Global Chamber of Business Leaders, Mr. Gagan Arora stated, *“The Global Chamber of Business Leaders in India will provide an excellent infrastructure for Global Chamber of Business Leaders committees and working groups for shared knowledge, innovation, and strategy development, as well as social and environmental impact initiatives, and will support local Global Chamber of Business Leaders chapters in the Indian Federal States.*

“With the Global Chamber of Business Leaders' India Chapter, we aim to target different Tier 1 and Tier 2 cities in India based on GDP 2019 and ease of doing business in phase 1, which will help expand the GCBL's reach across India and provide more opportunities in these cities with access to a global network, impacting the future of governance, resiliency, commerce, and industry, such as economic development, trade, public policy, and the inclusion of sustainability.

I look forward to this new era of the Global Chambers of Business Leaders Association, which will enable us to seize the next waves of growth by remaining laser-focused on serving our communities, creating significant value for our stakeholders, and providing the best career opportunities for our people. On our website, we shall accept applications for Global Chamber of Business Leaders Executives and Delegates.
