Gold Finch- Redefining Crypto Experience

Dubai, United Arab Emirates May 9, 2022 (Issuewire.com) - GOLD FINCH Global Ltd. launched its decentralized multi-utility Crypto Currency -''GOLD FINCH" with an objective to commercialize its ecosystem towards the reinforcement of the Travel, Tourism, and Hospitality industry.

More than 121 million global Travel & Tourism jobs and an estimated $3.4 trillion in global GDP could be lost as a result of COVID-19 according to WTTC's baseline scenario. To combat this severe downturn, GFCC is underpinning the launch of GOLD FINCH Utility on the Smart Chain BEP20 protocol. In order to cope up with the destruction caused by the COVID-19 pandemic, GFCC leverages all the latest technologies, develops products and services primarily for the said industries.

Gold Finch has identified several major problems within the Travel, Tourism & Hospitality industry that its integrated block chain solution addresses. Investing in people and blending it with technology to develop advanced products is the need of the hour, opines Gold Finch and thus endeavors to fulfill this need with its state-of-the-art technology utilizing all that blockchain, big data, and artificial intelligence offers.

The total supply of Gold Finch Crypto Currency (GFCC) is 27,00,00,000 out of which more than 50% is for sale.
