Goodwill is the leading commodity trading brokerage firm in India. Goodwill makes an important distinction between capital creation and asset preservation. The question is, are you going to generate wealth or preserve the wealth you have formerly created? As long as you have a final destination, your investment resolutions have to be intelligent and timely. To assure that, Goodwill will always be your partner in guiding you and being by your side all the time, all the way to your destination because we

understand all the factors that have an impact on the stability or chaos of the world of finance.

Goodwill offers you a wide range of trading and investment opportunities, such as Commodities, Equities, Currencies, Derivatives, Mutual Funds, and Exchange-traded Funds. Goodwill makes trading easy to access and hassle-free. Depending on your portfolio and your goals, Goodwill offers all kinds of value-added services and brokerage plans for both online and offline equity trading.

Highlights of Goodwill Growth Story

- From 3 bureaus in 2008 to 75 in 2016 to 100 in 2020
- Strong client-base
- Over 750 workers across India
- 1000 service points across India
- Average day-to-day trading turnover of about INR 1500 crore

Established in 2008, [Goodwill](#) now has offices in over 100 locations, serving customers nationwide. We've earned their trust by furnishing them with excellent services in colorful trading and investment conditioning.
