

Indian Visa Online Has Excluded All The Rigidity Of The Visa Application Process For US Citizens

New Delhi, Delhi May 12, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Government of India has offered some elaborated Visa facilities for US citizens. Since 2014, this lucid is available for US citizens to visit India. The formalities regarding this application process can be completed by any American resident within just five to ten minutes by using their mobile or computer. The website is supported by the Government of India. Any American citizen entering India for tourism purposes or travel industry purposes, business purposes, medical reasons, or humanitarian works is eligible for the e-Visa. Along with that, yoga courses and workshops are also included in this procedure. The duration of stay is based on the purpose of the visit. Yet, the visa is only accepted in 28 airports and 5 seaports.

The US citizen can acquire Indian Visa by answering questions like name, family name, date of birth, place of birth, and basic details like these. The next step is making the payment, the payment gateway options are debit or credit card, PayPal, and wire transactions in 137 currencies. Once the process is completed the e-Visa will be delivered to your verified e-mail address within 3 to 4 business days. The longevity of your stay is a maximum of 90 days, but the validity of the Indian Visa for a US citizen will be determined based on your visitation purpose. Suppose you are visiting India for tourism purposes then the validity of the Visa has options from 1 month, 1 year, to 5 years. The validity of a business e-Visa is 12 months.

The Indian Visa Help Desk can assist its clients in 47 languages. And they are available 24x7. You can carry the printed copy of the visa or the softcopy of the visa on your mobile or tablet, either way, it will be accepted. Hence, there are some limitations of this e-Visa which are, that American residents are not allowed to pursue journalism, film-making, university degree, or long-term paid work. And the visa is not

relevant for visiting military or cantonment areas you will have to take separate permission to enter those areas. If the Government of India asks for more documentation then you will have to provide it before entering the country. Visit their website to apply for the e-Visa now <https://www.india-visa-online.org/indian-e-visa-eligibility/us-citizens>.
