Los Angeles, California May 17, 2022 ([Issuewire.com](https://www.issuewire.com)) - Many European citizens travel to the United States of America. Simultaneously, **us-visa-online** has been working hand in hand with many European nationals and making sure they get their visa approved. Well, out of all the countries, there has been a rush for applying for US Visas from Italy. Applicants from Italy must know that to enter the US, applying for a Visa is mandatory. The ESTA US visa program launched in January 2009 makes it compulsory for every foreign national to apply for a US Visa. It was introduced to screen travelers arriving from overseas as a response to the global increase in terrorist activities.

The website has provided an online solution to all its clients. In addition, **US visa for Italian Citizens** has been one of the top-most priorities of **us-visa-online**. The online method allows every applicant to complete the form submission within 3-4 minutes. Applicants must provide the details such as name, birth date, email address, passport expiry date, etc. while filling up the form. Their online payment system supports PayPal, which makes it easier for an encrypted and safe online payment. The Italian applicants can expect a completely error-free visa application as the officials of the agency run a thorough check and make their form an ideal one before redirecting them to the US officials for approval.

Italian nationals applying for a US visa must ensure that the validity of their passport is at least three months past the expected departure date. The sole reason behind this criteria is that the US Visa remains valid for a period of 90 days. The purpose of the visit varies from transit to tourism, and business needs. Other major purposes can lead the applicants to apply for a relevant visa depending on their circumstances, which will be valid for two years. Once the approval process is complete, the agency will mail the online US Visa to the applicant's provided email address. Since this is an online process, applicants do not need to visit the US Embassy.
