Get to know Chiropractor Dr. Jason Henry, who serves patients in East Point, Georgia.

**New York City, New York May 11, 2022 ([IssueWire.com](https://www.issuewire.com))** - A trusted chiropractor, Dr. Henry is the Founder of Henry Wellness Center in East Point, Georgia.

Henry Wellness Center provides excellent chiropractic care to help our patients reach and exceed their health goals. They assess the patient as a whole and strive to address the main concern, but also lead patients into a lifestyle of being pain-free. They do all of this by offering an evidence-based approach to chiropractic care by utilizing chiropractic manipulation, soft-tissue techniques, therapeutic rehabilitation, and a variety of chiropractic services to help patients achieve their health goals.

Originally from Detroit, Michigan, Dr. Henry received his Bachelor of Science degree in Biology from Talladega College. He earned his Doctor of Chiropractic degree from Life University in 2001 and has been working in the field of chiropractic ever since.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain, back pain, headaches, vertigo, and a long list of other ailments and conditions. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself naturally, without the use of medication or surgery.

On a more personal note, Dr. Henry's favorite book is The Invisible Man, his favorite movie is Goodfellas, and his favorite food is pizza.
