Get to know Family Nurse Practitioner, Kelli Monnin, who serves patients in Cape Coral, Florida.

New York City, New York May 23, 2022 ([IssueWire.com](https://www.issuewire.com)) - Kelli is a certified family nurse practitioner currently affiliated with Cape Coral Hospital. In order to provide her patients with the best care, she specializes in trauma and intensive care. In addition, she is a Critical Care Outreach Coordinator.

Cape Coral Hospital, a 291-bed health care hub centrally located on Del Prado Boulevard in Cape Coral, provides a wide range of services to the community, from special nursery care to weight management, diabetes, and chronic disease programs. As part of Lee Health, Cape Coral Hospital and its staff work hard each day to provide a safe and healthy environment for patients and visitors — focused on safety, prevention, and community connection.

Academically, Kelli graduated with her Bachelor of Science in Nursing degree from Ohio University and received her Master of Science in Nursing degree from Nova Southeastern University.

An active member of the American Nurses Association, she is certified as a family nurse practitioner by the American Association of Nurse Practitioners (AANP).

A Certified Family Nurse Practitioner (FNP-C) holds certification and provides continuing and comprehensive healthcare for individuals and families across all ages, genders, diseases, and body systems. FNP's maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.

On a more personal note, Kelli attributes her success to never feeling like she has worked a day because she truly loves what she does.
