

Kid Trippz is Back with Another Prolific Number ‘Lonely Nights’ Sharing a Painful Narrative of Heartbreak

Kid Trippz has beautifully portrayed ‘Lonely Nights’, sharing the devastating pain of heartbreak and the sorrow that follows after the person you love most walks away.

Boulder, Colorado May 10, 2022 ([Issuewire.com](https://www.issuewire.com)) - The extremely well-formed artist **Kid Trippz** is back after two years of silence with an engaging melodious number ‘[Lonely Nights](#)’. The song narrates a story of a boy who ardently loved his partner yet the girl chooses to walk away. The grasp and the thrill that lingered with this song have scorching feelings to it. His voice is conveying the pain and the

depression and the doubts eagerly. The melodious aura is amplifying the melancholic vibes of this beautifully executed song. Yet the simplicity of the song was the ultimate star of the show. His heavy-hearted accent can be felt in the throat of the listeners. Anyone who has gone through the same can connect with the song instantly.

Born Chris Spotts, he is from Denver; He made his debut on SoundCloud in 2019 with the song 'Begging'. And in 2020 he released another impactful track titled 'Wishing'; this song also has gathered him an ample amount of recognition and popularity. The charming singer **Kid Trippz** is back with a heartbroken track that speaks fluently of these inevitable situations. No matter what the song '**Lonely Nights**' narrates the story of those nights in recluse and the heart tormenting sorrow that follows along with it. Spotts is extremely vivid while describing the lines of the song. His avid vocal quality along with the extensive musical arrangements made the song outstanding.

Hip-hop is a genre that is known for its expressive ways of delivering a song. The expression and the core feelings of the song made the song extremely engaging. The daunting wordplay spoke truthfully of the situation and the music made the oscillating journey of heartbreak. He has shared that he will be back with more tracks in the coming months of 2022. And his fans are waiting for these compelling tracks to release. He never fails to offer a song that has his truthful diction and passionate narrations. Evidently, his upcoming projects will offer the same. Spotts's music is available on [SoundCloud](#), [Spotify](#), [YouTube](#), [Band Camp](#), and [Apple Music](#). Apart from that, to know about his future projects follow him on [Instagram](#) and [Facebook](#).
