Under KPMG's leadership, the Capital Conference creates opportunities for regional investment

Philadelphia, Pennsylvania May 19, 2022 ([IssueWire.com](https://www.issuewire.com)) - The Philadelphia Alliance for Capital and Technologies (PACT) today announced that longtime partner KPMG will host the 2022 PACT Capital Conference on November 17, 2022, at the Philadelphia Marriott Downtown.

"PACT is thrilled for KPMG to host this annual event," says Dean Miller, PACT's president, and CEO. "Their leadership – along with their keen insight and perspectives – will serve to heighten the Capital Conference to new levels and provide more opportunities for investment in our region."

The PACT Capital Conference unites the private equity, venture capital, and entrepreneurial communities in the Mid-Atlantic region. For over 30 years, PACT has stimulated billions of dollars in venture funding and entrepreneurial success. Through its one-day format, this year's conference will open doors for all stages of rising success by laying the framework for companies seeking capital and customers.

"It's an honor and privilege for KPMG to serve as host of this year's PACT Capital Conference. This role continues to demonstrate KPMG's commitment to the emerging growth ecosystem in the Philadelphia region. We look forward to working with PACT Leadership, and the PACT Conference's Steering Committee, in planning what we guarantee will be an outstanding and thought-provoking conference", noted Co-Chairs, Ryan Breen, and Andy Cherry.

This year's conference will bring together investors, entrepreneurs, and companies for panel sessions, keynote speakers, and featured company presentations in healthcare and technology. There will be plenty of networking opportunities all culminating with the session finale, The Lion's Den – where successful CEO's/Investors are prepared to make live investment offers to qualified entrepreneurs who come before them.

"Co-Chairs Andy Cherry and Ryan Breen have been incredible partners of PACT and are truly dedicated to the emerging growth company space, helping CEOs to achieve their dreams," says Miller.
