

Lee S. Bulgin, MD, a Psychiatrist with Massachusetts General Hospital

Get to know Psychiatrist Dr. Lee S. Bulgin, who serves patients in Boston, Massachusetts.

New York City, New York May 12, 2022 ([IssueWire.com](https://www.issuewire.com)) - An excellent psychiatrist, Dr. Bulgin is affiliated with the Bipolar Clinic and Research Program at Massachusetts General Hospital.

The Bipolar Clinic and Research Program at Massachusetts General Hospital provides ongoing treatment to adult patients with bipolar disorder, including medication treatment and psychosocial or “talk” therapy where appropriate.

Graduating with his medical degree from the Johns Hopkins University School of Medicine in 2005, Dr. Bulgin went on to further his training by completing the Harvard Longwood Psychiatry Residency Program in 2010.

Subsequent to his education, the doctor attained board certification in psychiatry through the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to serving the professions of psychiatry and neurology.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.
