New York City, New York May 26, 2022 ([IssueWire.com](http://www.IssueWire.com)) - A highly trained family physician, Dr. Zheng is in practice at Weibo Medical Care. He specializes in pediatric, adult, and geriatric preventive medicine. His expertise also includes managing chronic conditions like hypertension, diabetes, high cholesterol, and asthma.

Conveniently located in the heart of downtown Flushing, the team of physicians at Weibo Medical Care wants to help all their patients in the area stay as healthy as possible. The doctors have a caring, understanding, and calm bedside manner. They look forward to accepting new patients and becoming their partners in healthcare.

A native of China, Dr. Zheng is a graduate of Sun Yat-Sen University of Medical Sciences. After relocating to the United States, he completed his internship at the SUNY Health Science Center in Brooklyn, followed by his residency in family medicine at the Lutheran Medical Center.

An expert in his field, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
