

Microexcel is Fundraising for the Els for Autism Foundation 2022 Golf Challenge at Ansley Golf Club, Roswell, Georgia

Jersey City, New Jersey May 14, 2022 ([Issuewire.com](https://www.issuewire.com)) - In continuation of its commitment to the Els for Autism Foundation, Microexcel will be playing at the Ansley Golf Club, Settindown Creek Course, Roswell, Georgia, on May 24, 2022.

Microexcel has been associated with the Els for Autism Foundation for several years now. The company has extended a helping hand by sponsoring and participating in the Els for Autism fundraising Golf Tournaments.

After having been a Bronze partner at the event in Orlando in 2022, this will be the next event the Microexcel Team will be playing in. The objective is to raise awareness around a better understanding of the aspirations of people with autism spectrum disorder (ASD) and fundraising for the foundation to help individuals with ASD lead positive, productive, and rewarding lives.

The Els for Autism Golf Challenge regional event series is one of the largest charity-driven amateur golf tournaments. With national and regional sponsorships, donations, and other opportunities to raise money, such as Silent Auctions, they raise awareness and facilitate programs, services, and education for those with ASD.

To support the fundraising efforts of the Microexcel Team, interested persons may contribute to the cause [here](#). The funds will be used to change someone's life.

About Els for Autism

Els for Autism® is a game-changing resource, delivering and facilitating programs that are leading examples of what can be available to people with autism spectrum disorder (ASD). Els for Autism Foundation® was established in 2009 by Liezl and Ernie Els. The Els' son, Ben, is impacted by autism spectrum disorder, affecting 1 in 44 children in the U.S. The Foundation has committed to better

understanding the aspirations of people with autism spectrum disorder and helping them to fulfill their potential to lead more positive, productive, and rewarding lives.

Funds raised through the Golf Challenge series directly impact the lives of individuals and families affected by autism spectrum disorder (ASD). Since its launch in 2011, the Golf Challenge regional event series has raised over \$30M to support the Els family's vision of autism acceptance worldwide. The Els Center of Excellence campus, located in Jupiter, Florida, is the anchor of Els for Autism's global reach through its delivery of game-changing autism programs, resources, education, and support.
