

Randall Scott Boll Recommends Captive Insurance Companies as Incredible Planning Opportunities

This Press Release is written to inform the readers that Randall Scott Boll recommends captive insurance companies as incredible planning opportunities.

Nashville, Tennessee Jun 2, 2022 ([IssueWire.com](https://www.issuewire.com)) - **Randall Scott Boll**, along with his team, is passionate to provide his clients with solutions that they know exist, but do not know how to access. He shares with his clients behind a curtain approach to the tax and asset protection strategies used by the wealthiest in the country for years.

Through BollitProof, he offers access to a platform that is designed to be understood by anyone, whether he is a stay-at-home parent or a Ph.D. in Finance. He explains that captive insurance companies can be incredible planning opportunities, however, you need to be careful. You can not use these companies to buy tax-deductible life insurance. You can reap the benefits of tax breaks, but make sure that you are using a high-quality administrative company. **Randall Scott Boll** recommends using a high-quality administrative company and getting a third-party risk management study.

Randall has maintained a sterling reputation for client service. He states that he has perfected bringing the best strategies to the members through videos, articles, podcasts, social media, and the like.
