THE CURIOUS CASES WARD

BY
R.L. ROGERS

Los Angeles, California May 2, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Intricately designed with horrific ambiance, **R.L. Rogers** has come up with his latest book '**The Curious Cases Ward**'. The book has been published on April 29 of this year and already gathering much attention from global readers. The author has done a masterful job in crafting this book that reflects through his fine literary skills that makes everyone enthralled. This haunting novel is based on sixteen strangers who gather at a point after being chased by a series of horrific incidents. There are many suspense, thriller, and emotive moments that make the book even more engaging and indulgent as well. Do those strangers finally overcome the haunted dimension? Do they finally discover who is lurking behind all this? Find out more by purchasing the book on Amazon.

Hailing from a small town in Massachusetts, **R.L. Rogers** has made some significant progress as each time he penned down a novel, the book instantly turned bestseller. Previously, he has published two other books which are the best example of his creativity and consistency in his craft, such as 'Raven Valley: Creature' and 'A Friendly Reminder That Sleep Isn't Necessary'. The latest book '**The Curious Cases Ward**' is also following a similar route of success while creating a huge buzz. Rogers has teamed up with fellow authors Barry Grottier and Immy Grace for the project. Their united effort and an engaging storyline do not fail to win the readers' hearts.

This dynamic author has writing haunted stories and novels for a long time now. Most of his stories are being narrated on YouTube and that reflects his amazing writing style that can merge with any kind of medium. The story 'The Noir Family' has been narrated by Scared Citless and on the other hand, 'We Few Are Many' was narrated by The Dark Somnium. It is evident that Rogers is not only getting famous among the readers only but narrators, reporters, and potential investors as well. Currently, this author is gaining at full throttle to come with his new book soon. Follow Rogers on Instagram and Reddit to find out more about his literary works.
