Hong Kong, Hong Kong S.A.R. May 27, 2022 (Issuewire.com) - Samuel Freshfields, a next-generation investment company that aims to give its clients access to a broad range of financial instruments, promoting the highest standards of integrity, responsibility, and competence to produce a highly personalized counseling process, is pleased to announce that the Board of Directors has reached a conclusion regarding the soon-to-be-vacant position of Executive Vice President and Portfolio Manager for Real Return Strategies. Mr. Anton Novak will succeed Mr. Gordon Suen, who has recently announced his plan to retire.

Mr. Suen will be stepping down from the position of Executive Vice President and Portfolio Manager for Real Return Strategies at the end of the year and he has been made responsible for exercising a final vote in [recommending one of his team members](#) for promotion. Samuel Freshfields' Board of Directors has entrusted Mr. Suen to propose the most suitable candidate due to the fact that he has guided and worked very closely with each of the team members involved in conducting the real return projects of the firm.

Anton Novak has come out as the finalist among 4 other candidates to occupy the position. The decision was hard to reach as every member proposed has displayed unique qualities in providing clients with innovative and up-to-date real return strategies as well as managerial and people skills that any leader must possess.

“The difference that has propelled Mr. Novak to become our next Executive Vice President and Portfolio Manager for Real Return Strategies in front of his colleagues was his tenure with the firm. He has been working side by side with Mr. Suen for a great period of time, this being translated into the decisive factor of nomination that has been focused on continuity,” said Mr. Charles Chan, Member of the Board of Directors for Samuel Freshfields.

Mr. Novak stated: “I truly believe that my skills, together with my close professional proximity to Mr. Suen for an extended period of time will allow me to continue our innovative approach and in-house developed procedures of data processing and technology, to better construct diversified portfolios using a full array of return sources. My perspective aligns with Mr. Suen’s fundamental approach and this will reinforce my ability to leverage expertise from across the organization.”
