

Taxi Butler participates in the PHTM EXPO 2022 on 31 May & 01 June 2022

Amsterdam, Netherlands May 25, 2022 ([Issuewire.com](https://www.issuewire.com)) - Taxi Butler participates in the **PHTM EXPO 2022** on 31 May & 01 June 2022

Amsterdam, The Netherlands, 25 May 2022: [Taxi Butler](#), the global leader in B2B taxi booking solutions for hotels, bars, and restaurants, announces its participation as an exhibitor in the annual

PHTM Expo 2022. The team at Taxi Butler is looking forward to showcasing and demonstrating its unique range of one-click taxi booking devices at *stand number 47* on **31 May and 01 June 2022**. The event will take place at Arena MK, Milton Keynes, United Kingdom.

Taxi Butler will exhibit its innovative taxi booking device Taxi Butler PRO 3, during this event. This advanced taxi booking device launched in 2021 has gained an immense reputation in the global taxi industry. Also, Taxi Butler is offering a fantastic offer at the event. When you order a Taxi Butler device at the booth, you will receive devices free of any hardware costs and one month of free subscription, and enter the prize draw on the day to win one year of free Taxi Butler devices! The Taxi Butler team is thrilled about networking with customers and partners to come together as ONE, understand and address the challenges faced, and adapt and stay one step ahead of the ever-evolving industry.

The **Taxi Butler PRO 3** is an advanced taxi booking device that allows venues like hotels, bars, and restaurants to book taxis with local taxi fleets at the press of a button. The new touchscreen device has a 5" touchscreen and is Wi-Fi enabled. The PRO 3 comes fully equipped with Live Price Estimations, instant and pre-booking capabilities, Smart Destination Suggestions, and the ability for passengers to track their taxis using a QR code. Venues can add passenger details like their name and phone number. Venue staff can also choose from an unlimited number of taxi types configured by taxi companies.

Talking about the participation, Eddie Kelly, the UK and IE Manager for Taxi Butler, said, "This Expo provides a platform for one of the largest gatherings of the UK Private Hire and Taxi industry, and this is our 7th year of participation. At Taxi Butler, we are always looking for new ways to innovate and connect taxi fleets even better while constantly striving to bring new features and improvements to our existing products.

Talking about the product Taxi Butler is exhibiting; he adds, "We are excited to showcase Taxi Butler PRO 3, a new and improved version that facilitates more advanced taxi bookings from venues. The PRO 3 is currently available for taxi companies using iCabbi, Autocab, SmartMove, and other European-based dispatch systems, and we're constantly working with other dispatch systems to develop integrations for the PRO 3. We are excited to welcome everyone to our stand No 47 to discuss how our innovative devices can generate more automated taxi bookings for your fleet."

Taxi Butler facilitates the connection between taxi companies, venues, and passengers. It is the foundation of everything they do. Taxi Butler recently celebrated '50 million taxis booked' with their one-click taxi booking devices. The technology has enabled taxi companies to generate more bookings, improve their automation rates and optimize their call centre costs for more than eight years. Ultimately, it connects passengers with taxis through an excellent ordering experience from venues worldwide.

Taxi Butler's partner RedRoute, which offers cutting-edge voice technology that automates taxi call centers, is also accompanying them at the event.

Attracting an array of trade suppliers, 60 exhibitors, 30 trade vehicles, and trade seminars conducted by industry subject matter experts, the PHTM Expo is one of the most valued National Private Hire and Taxi Exhibition in the UK. The event provides an excellent opportunity to network and exchange information.
