

Teqfocus and Salesforce are driving success from anywhere for businesses in India

Toronto, Ontario May 19, 2022 ([IssueWire.com](https://www.issuewire.com)) - Teqfocus, a trailblazer in helping SMBs with their digital transformation is now partnering with Salesforce, the global leader in CRM, to bring companies and their customers closer together. As an official exclusive Salesforce Reseller, Teqfocus will support customers investing in the digital transformation of their business with Salesforce.

Andy Singh, CEO, Teqfocus, said: "In a world where technology is transforming us, Teqfocus as a global company is on a path to help SMBs with their business expansion comprehensively. We are delighted to broaden our services in India as part of business expansion using Salesforce's services and as a growth platform."

With over a decade of Salesforce implementation and consulting experience. Our agility and SMB-focused approach enables us to assist in enhancing sales productivity, revenue growth, actionable insights through reporting, enhanced customer experience, and greater customer visibility. Our knowledge of industry-specific requirements enables us to achieve faster GTM with consulting and fulfillment with license sales to help customers move faster, lower technical debt, and remote service center operations.

"We are excited to expand our presence in India with Teqfocus by our side. We look forward to collaborating to enable companies to deliver outstanding customer experiences fit for the future. We are looking forward to bringing success from anywhere to India - together!" Avi Kumar Associate Director Business Operations

About Teqfocus a Salesforce Consulting Partner since 2012 and a trailblazer in helping SMBs in their digital transformation. We believe in forming relationships rather than merely partnerships. We aim to work in collaboration to achieve maximum value using Salesforce as a growth platform.
