New York City, New York May 11, 2022 (Issuewire.com) - The popular online music magazine Daily Music Roll proudly announces the release of its May edition that has been published on Amazon. This month's edition is a treat for Harry Styles fans as it features the British singer's latest chart-topping single, 'As It Was' which acquired the top position for three weeks. It also topped the Official UK Singles Chart in the fourth week of its release. The magazine celebrates the success of the song by Harry Styles and his overall musical career by presenting a critical analysis of the song and his creative artistry.

The May edition of the magazine features a detailed article on what Cardi B tweeted in support of Sexual Assault Awareness Month. It describes how the rapper is encouraging people to talk loud about their personal sexual assault experiences and protest against them in a series of tweets. The featured musical genre in this month's edition is Blues. Read about the biggest Blues musicians around the world. A detailed review of Camila Cabello's latest album, 'FAMILIA' has also been published on the album. Various performances on this year's Coachella are also featured in the edition. Get your hands on the magazine to find out which BTS member received a peck on the cheeks by Lady Gaga.

The **digital music magazine** is best known for featuring emerging and talented musicians from various genres. Budding hip-hop artists like Young Gunnas, Ruben Page, Dutchie Killa, and more have been featured in the magazine. The readers will be able to discover some of the greatest talents of this generation with this May edition. The readers can get access to a whole new group of new-age musicians with the magazine. The artists have obtained a massive audience engagement and online exposure by getting featured in the magazine.

The magazine also caters to the needs of Indian music fans as well. The exciting news of Bollywood star Tiger Shroff releasing an English pop track with the collaboration of Jjust music and Warner Music India is featured in the magazine this month. Nikita Gandhi's achievement of getting featured in Time Square is also shared by the magazine. Various other reports about Indian music industry are featured in the May edition.
