

The Surprising Truth About Online Will

Hyderabad, Telangana May 31, 2022 ([Issuewire.com](https://www.issuewire.com)) - www.AasaanWill.com, a product of AssetVault UK, aims to educate and motivate Indians to write a legally valid, easy, and affordable online Will.

Nearly 60% of the civil cases in Indian courts are between family members over property. The total wealth locked in such disputes is about \$6 billion or about Rs 600 crore.

Shocked? Wait.

Unclaimed PF amount in 2021 stood at Rs 24,497 Cr. The amount lying unclaimed in the bank account stood at Rs 24,356 Cr.

The surprising truth is the simple act of writing an online Will, which is inexpensive, super easy, and most importantly Legally valid can save years of courtroom drama and loss of wealth.

As compared to days and thousands of rupees cost for getting a Will through a lawyer, AasaanWill.com offers the service of Will writing for only Rs 4999.00. Each Will is carefully vetted by a team of

experienced lawyers.

What you get is a legally valid Will sitting in the comfort and security of your own home.

Founder, Vishnu Chundi is a BITS alumni with MBA from London business school and Mphil in nanotechnology from Cambridge said " After an untimely death in the family, I saw first hand how dying intestate can put the family in a very tricky and emotionally unhealthy situation. That is when I researched and realised how humongous a problem this is in India, and no one wants to talk about it. That is when I started AssetVault and I am delighted to launch our Indian product AasaanWill".

Do not procrastinate. Try writing your first Will online. Take advantage of our free 15 minutes phone consultation with a lawyer.
