

Uncle Sammy, An NFT Collection Featuring The Coolest Dogs in the Hood

Los Angeles, California May 16, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Nifty Mooner has released a new NFT collection on Mintable called Uncle Sammy, a dog-themed PFP collection.

Their artistic style encompasses all kinds of elements, mindsets, and aspects of art-making. We enjoy making art, following our curiosity, evolving, and growing.

Who is behind the masterpiece? Some weirdos artists have 5+ years of experience in design. Every piece of art created by Nifty Mooner includes; Vision, message, emotion, dedication, passion, and much more.

They create art to allow themselves to represent their thoughts and life, to create someone's portrait from their perspective, to reflect the beauty, and to illustrate a narrative.

Messy, chaotic, even on a blank screen - where others see nothing, Nifty Mooner sees endless opportunities for art to empower, and help people thrive.

"We admire our own creations, life is full of colors, and we want to express it, not show only the gray colors. Our mission is to connect with others through creating art, to display our point of view, our story, and much more."

ABOUT MINTABLE

Mintable is a next-generation non-fungible token (NFT) marketplace built on the Ethereum & Zilliqa blockchain. Launched in 2018, Mintable has pushed the NFT industry forward by being the first to design gasless minting, batch minting, and royalties, empowering artists and creators to monetize their work via NFTs. Mintable's gas-free minting option allows the everyday person to get involved with NFTs without any prior knowledge in coding or upfront cost of minting an asset – a great way for everyone to get into crypto. In 2021, Mintable announced the backing of a list of high-caliber investors including renowned venture capitalist and television personality, Mark Cuban, Sound Ventures, a venture capital firm founded by Ashton Kutcher, and Guy Oseary, and TIME Ventures, the investment fund for Marc Benioff. To date, Mintable has sold and auctioned works by Grammy-Award-winning artists, 20th-century avant-garde artists, and various high-profile artists and celebrities.
