

United States Esports Federation and SportsEdTV Announce Partnership

USEF Is National Esports Official Governing Body

Miami, Florida May 27, 2022 ([Issuewire.com](https://www.issuewire.com)) - [SportsEdTV](https://www.sportsedtv.com) and the United States Esports Federation [USEF] have announced a partnership between the two organizations today.

USEF is the non-profit national sanctioning organization also known as National Governing Body, commissioned by the International Esports Federation. SportsEdTV is the world's leading multi-sport

education-focused streaming content portal.

"The combination will serve to bolster our esports audiences, and we're impressed by USEF's vision to unite esports stakeholders," said Robert Mazzucchelli, Co-Founder, and Chairman of SportsEdTV.

USEF offers unique partnerships to further serve a safe and healthy national gamer ecosystem. The recent program campaign is titled, Healthy Body, Healthy Mind. The program aims to increase awareness about physical activity and proper nutrition as a way to not only cope with everyday challenges but to increase an esports athlete's overall competition performance.

"SportsEdTV shares our passion for competition, and they can help us build further awareness for gamer health." Said USEF President, David Geddes. He went on to add, "It is actually really important for young gamers to recognize that – to play better, you need to feel better."

As part of USEF's Healthy Body, Healthy Mind program, USEF will feature SportsEdTV educational training videos for its members and associated partners to further their shared social impact strategies.

"We're especially attracted to USEF and its Supporting Partner designation, as their educational process designed to ensure that gamers have the required knowledge and protection against negative influences is a great complement to our mission," added Victor Bergonzoli, CEO of SportsEdTV.

We do expect people who use our educational resources to become their champions, by whatever definition they view success in their chosen sport.
