

Yvelyne Abellard, MD, a Neurologist with Harlem Hospital Center

Get to know Neurologist Dr. Yvelyne Abellard, who serves patients in New York, New York.

New York City, New York May 12, 2022 ([IssueWire.com](https://www.issuewire.com)) - A prominent neurologist, Dr. Abellard is in practice at the Harlem Hospital Center in New York.

Before embarking on her professional journey, she earned her medical degree from the University of Haiti in 1979. She completed her internship at United Hospitals of Newark and her residency in neurology at Columbia University.

Neurology is a branch of medicine dealing with disorders of the nervous system. Neurologists are licensed medical specialists who diagnose and treat disorders that affect the brain, spinal cord, nerves, and muscles of patients. They examine a patient's mental and physical status, conduct medical tests and scans, and evaluate the results to diagnose and treat the patient.

Speaking several languages, Dr. Abellard is fluent in English, French, and Spanish.
