

2022 Zhejiang Service Trade Online Exhibition (India Communication Technology Session)

New Delhi, Delhi Jun 26, 2022 ([IssueWire.com](https://www.issuewire.com)) - 2022 Zhejiang Service Trade Online Exhibition (India Communication Technology Session), which is Sponsored by the Department of Commerce of Zhejiang Province, and undertaken by Samexpo Exhibition & Convention Holdings Co., Ltd, will be hosted online from 27th June to 1st July. So far, half of the online fair has been held, and have received a lot of good feedback from buyers and suppliers.

After two years of the pandemic, also brings new market development opportunities for India's communications industry in the post-pandemic era. Based on the prospect of cooperation in the communications market between India and China, the fair will lay the foundation for future co-operation between Indian and Zhejiang Telecom companies in the post-pandemic era through online lectures, 2022 government of India's overseas projects bidding seminar, and 1:1 video negotiation.

Through Zhejiang Service Trade Digital Intelligence Platform VR exhibition hall and online video negotiation to provide an online platform for enterprises to cooperate with overseas buyers, while online exhibition and promotion; To Achieve Exhibitor Buyers Information Exchange before the exhibition, accurate matching. The online exhibition involves digital technology solutions, communications technology services outsourcing, communications technology application terminals and other buyers will participate in the online exhibition, the exhibition will pave the way for Zhejiang Telecom companies to negotiate and communicate directly with Indian telecom companies.

At present, the service trade online exhibition makes these enterprises break through the geographical limitation by means of online live broadcast and 1-to-1 long-distance negotiation based on off-line pairing in the early stage, helping the enterprises to carry out effective trade interaction, to open accurate trading channels, to establish a new platform for cooperation.
