

## A ballad inspired by the emotions of Ukrainian Women and Mothers presented by Ukrainian Singer NlzhNA

**Kyyiv, Ukraine Jun 24, 2022 ([Issuewire.com](http://Issuewire.com))** - Singer and participant of the The Voice Ukraine, NlzhNA presented English version of "On Our Homeland", a thematic ballad about the current events taking place in Ukraine.

According to the singers press, "This is not just a song about war. It is a work that reveals the emotions of Ukrainian Mothers."

The song has elements of prayer and culminates in the confidence that the indomitable Ukrainian spirit will prevail and all the Ukrainians will remain on their own land.

Musicians were recorded remotely from different parts of Ukraine.

NlzhNA posted a Music Video on YouTube for her song today, and the song is now available on music platforms ([Apple Music](#), [Spotify](#), etc)

The lyrics contain the following words:

*"They are bringing homes and cities to the ground  
They're shooting people and burying them underground  
Let the truth be known, Eternal Verity  
Our spirit you will never overcome  
Can not burn away Ukrainian freedom  
Because it's our homeland and it's called Ukraine"*
