

Advanced Management Services Supports Humanitarian Efforts in Ukraine

U.S.-based manufacturer provides thousands of military-grade emergency relief supplies

Nyack, New York Jun 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - Advanced Management Services, a trusted U.S.-based manufacturer of Emergency Relief Tents, is proud to support ongoing humanitarian efforts in Ukraine. AMS is actively working with national non-profit humanitarian groups and local charity organizations seeking to acquire military-grade, Individual First Aid Kits (IFAKs) for shipment overseas, offering high volume discounts for organizations looking to purchase emergency relief aid for Ukraine. Over the past several months, thousands of life-saving IFAKs have been shipped and received in Kyiv and other key locations affected.

“As a global provider of military-grade structures and relief supplies, AMS has the knowledge and experience to quickly manufacture and source whatever is needed,” said Dan Patronik, Vice President and Director of Sales. “We stand ready to provide these essential resources, not only during this time of conflict, but also to fulfill any anticipated long-term needs as Ukraine works to rebuild once the conflict is resolved.”

In addition to Individual First Aid Kits, AMS has the capability to provide a wide variety of resources for

use in Ukraine, including durable fabric structures, military tents, hardwall knockdown structures, and associated accessories, including generators, and ECUs. For more information, contact Advanced Management Services at 845-418-3687 or email sales@amsstructures.com.

Advanced Management Services is a U.S.-based manufacturer of Emergency Relief tents, including military-grade, all-Weather Fabric Structures suitable for Troop and Family Housing, Mobile Hospital Units, Warehousing, Vehicle Storage, and Aircraft Hangars. AMS also supplies Generators, Environmental Control Units, complete Lighting & Electrical systems, as well as life-saving Personal Protective Equipment (KN95 Masks, Surgical Masks, Nitrile Gloves), and military-grade Individual First Aid Kits (IFAK).
