How to Manage an Aeroflot Book Flight?

Whether you need to make a flight change, cancel your ticket or add a passenger name, you can manage your flight booking at Aeroflot Airline from the comfort of your home. For this, you just need to follow these steps:

Visit the Aeroflot Airlines Official Website online at www.aeroflot.com or open the Aeroflot mobile app.

See the 'My Travels' section

Type the flight confirmation code and the passenger's last name in the corresponding block

You will be directed to the Manage Reservations page, where you will need to log in.

Go to "Edit Options", click on it and you will see a list of options for managing reservations.

Proceed according to your choice

Find out the flight you want to change and fill in the required information.

Confirm the correct details, and click on OK.

Make the payment if necessary.
