

Allison Simpson, FNP, a Family Nurse Practitioner with Global Bone and Joint Clinic

Get to know Family Nurse Practitioner, Allison Simpson, who serves patients in Dodge City, Kansas.

New York City, New York Jun 17, 2022 ([IssueWire.com](https://www.issuewire.com)) - Allison is a family nurse practitioner currently serving her patients at Global Bone and Joint Clinic in Dodge City, Kansas. She specializes in orthopedics and family practice.

Pertaining to her educational pursuits, her career in nursing started when she earned her nursing degree from Wichita State University in 2008.

In order to stay up to date in her field, Allison is a member of the American Association of Nurse Practitioners and the Sigma Theta Tau International Honor Nursing Society.

On a more personal note, she attributes her success to the support she receives from her family as well as to working with a great team at the hospital.

A Family Nurse Practitioner (FNP) provides continuing and comprehensive healthcare for the individual and family across all ages, genders, diseases, and body systems. FNP's maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.
