About AME CET 2022

AME CET 2022 is a national-level common entrance test for pursuing aviation courses in PAN India. AME CET provides a path to the students who are interested in the aviation sector and also those who

are capable. After clearing the entrance exam participants are able to join counseling and through counseling, they choose aviation college/institute/ university according to their interest.

Why is the 2nd phase needed?

Behind the second phase, there is a motive that nobody interested candidates misses the chance to register in AME CET 2022. As AME CET provides scholarships up to 100% for phase 1st candidates and for phase 2nd candidates there is a scholarship of a flat 10% to all the passed out candidates. The scholarship helps the candidate with their financial condition as well as motivates the candidates to work hard.

The whole process is the same as phase 1st only scholarship is different.
