

American Author Yolanda Kinlock Takes Fiction To Another Level With Her Extremely Intriguing Novels

New York-based author Yolanda Kinlock covers various social and everyday issues in her books through her relatable storylines and interesting characters.

New York City, New York Jun 29, 2022 ([Issuewire.com](https://www.issuewire.com)) - Books are the best way to keep yourself entertained and knowledgeable at the same time. Well-known author **Yolanda Kinlock** has created a brilliant world with exciting characters and their stories inspired by real-life issues. Her 2018 book, 'Torn Lives' is a masterpiece featuring three intriguing short stories, 'The Pillow Talk That Betrayed Her', 'A Violet Turn', and 'The Vengeance They Didn't See Coming'. All three stories are passionate, thrilling, and full of suspense. The book serves as the foundation of her next two books that have also gained massive popularity among book lovers across the world.

The book, 'Love Before Vengeance' released the next year on November 20th, 2019 is a tale of love, deception, and revenge. It is about Marcos Diaz, a successful businessman who has been deceived in love and has lost his faith in love completely until he meets his ideal woman Gabriella Winters, who

oozes strength, confidence, and compassion. But a sudden event turns everything upside down and things lead to a path of vengeance as Marcos tries to get his love back. The interesting storyline keeps the audience hooked till the last page. The writer has done a wonderful job to keep the storyline and characters relatable yet remarkable.

Her 2022 book, 'A Violent Turn II' is a sequel to the short story 'A Violent Turn' from the previously mentioned book, 'Torn Lives'. **Yolanda Kinlock** explores the struggle in a relationship when a third person makes an entry. The story is about high school sweethearts Eric Green was Beverley Harris. Their roller-coaster relationship is about to become more complex when Ricardo Martinez comes into Beverley's life as a forbidden fruit. The story is highly relatable in today's scenario and has resonated with many, making the book a hit. The books have already gained positive responses from book lovers. All three books are available on Amazon.
