

AMFIL Aviation Consulting Appoints Vice President For MRO Business Development

Apopka, Florida Jun 5, 2022 ([IssueWire.com](https://www.issuewire.com)) - AMFIL AVIATION CONSULTING, LLC announced today that Mr. Larry Huffman has been appointed as the Vice President of MRO Business Development effective June 6, 2022.

AMFIL Aviation Consulting is pleased to announce Larry Huffman as Vice President of MRO Business Development. Larry brings in more than 20 years of experience in engine management, continuous advancement leading aerospace operations, warehousing, inventory control, logistics, production control, and scheduling. He has held various positions at leading aerospace OEMs and MROs managing responsibilities that include Business Development, Marketing, Materials, and Supplier Management. He is also a retired United States Air Force C-130 Loadmaster and C-5 Flight Engineer.

“We are excited to announce the addition of Larry to the AMFIL team! With the addition of Larry, AMFIL will be laser-focused on the MRO spectrum of business including repair management.”, said David Clark, President/CEO of AMFIL. “ We look forward to Larry helping our clients see more opportunities and also expanding AMFIL’s business.”
