

Andrew Y. Sun, MD, a Urologist with Urology Partners of North Texas

Get to know Urologist Dr. Andrew Y. Sun, who serves patients in Arlington, Texas.

New York City, New York Jun 13, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Sun is a board-certified urologist and director of the Center for Men's Health at Urology Partners of North Texas, PLLC. Dr. Sun is a fellowship-trained specialist in Men's Health, and his practice is entirely focused on the treatment of male sexual dysfunction, including benign prostatic hyperplasia, erectile dysfunction, low testosterone, male infertility, Peyronie's Disease, ejaculatory disorders, varicocele, and male infertility. Known for his passion for helping men optimize their health and vitality, Dr. Sun performs surgery at several hospitals in the Arlington, Texas area. He is licensed to practice in the state of Texas.

Dr. Sun is highly regarded as an expert in male reproductive medicine and surgery. Procedures he performs include general urologic procedures, Artificial Urinary Sphincter, circumcision, erectile dysfunction treatments including low intensity shock wave therapy, GreenLight™, no-scalpel vasectomy, penile prosthesis, prostate cancer screening, PSA testing, Testosterone Pellet Implantation, TURP, urinary tract reconstruction, varicocele repair, vasectomy, vasectomy reversal, and Xiaflex for Peyronie's Disease.

Dr. Sun received his medical degree at Harvard University in Boston, Massachusetts, in 2013. He then served his internship and residency in urology at Cleveland Clinic in Cleveland, Ohio (2013 - 2019). During his residency, he was appointed Administrative Chief Resident at the Glickman Urological and Kidney Institute (2018), was awarded the Excellence in Teaching Award by the Cleveland Clinic Educational Foundation (2017-2018), and received the Health Policy Young Investigator Award from AUA North Central Section (2017). Dr. Sun conducted his fellowship in male reproductive medicine and surgery at the University of California, Los Angeles in Los Angeles, California (2019 - 2020). He acquired his undergraduate education, i.e., Bachelor of Arts degree in Biology and Economics at the University of Maryland College Park.

Upon the completion of his training, Dr. Sun attained board certification in urology through the American Board of Urology. The mission of the American Board of Urology is to act for the benefit of the public by establishing and maintaining standards of certification for urologists, working with certified urologists to achieve lifelong learning to insure the delivery of high quality, safe and ethical urologic care.

Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs.

An active member of male fertility and sexual medicine community both nationally and internationally Dr. Sun has authored multiple peer-reviewed journal articles. He has presented research at numerous international meetings and maintains active memberships with the American Society of Andrology, the Endourological Society, the American Urological Association, and the Sexual Medicine Society of North America. He is also an inductee into the Harvard Medical School Aesculapian Club.

Dr. Sun also speaks multiple languages, including Chinese (Mandarin).
