

Ascent Chiropractic Named Best Chiropractor in Milwaukee By Milwaukee Journal Sentinel

Brookfield, Wisconsin Jun 28, 2022 ([IssueWire.com](https://www.issuewire.com)) - Ascent Chiropractic is proud to announce that they've been recognized as the top [Milwaukee Chiropractor](#) in the Milwaukee Journal Sentinel's 2022 Top Choice Awards. Dr. Grant Radermacher and the staff at Ascent Chiropractic have been winning awards for their excellent patient care and customer service since opening in 2018.

"To be voted as the Milwaukee Journal Sentinel's Top Choice Chiropractor is not something we take lightly. We work hard to deliver unmatched patient care, and we work hard to have a great team to make sure that happens," said Dr. Grant Radermacher.

"There's no shortage of chiropractors to choose from in the greater Milwaukee area, but we make it our priority to ensure that every patient we see gets great results and has a positive experience," said Dr. Grant. "We've created the type of practice that we would want our family and friends to visit."

Recognized for his expertise in treating and training athletes in the Milwaukee, Waukesha, and Brookfield areas, Dr. Grant's practice is open to patients of all ages with a variety of conditions. His evidence-based, individualized approach to chiropractic care combined with the most advanced physical rehabilitation and myofascial therapies allows him to get unmatched results for patients suffering from back and neck pain, headaches, migraines, tendonitis, and plantar fasciitis, shoulder injuries, and more.

"At Ascent Chiropractic, we believe your chiropractor should address specifically what's going on with your body, rather than expecting patients to adapt to a one-size-fits-all approach to care."
