

## **Baber Younas, MD, ABA, an Anesthesiologist with Texas Partners Healthcare Group**

Get to know Anesthesiologist Dr. Baber Younas, who serves patients throughout the State of Texas.

**New York City, New York Jun 28, 2022 ([Issuewire.com](https://www.issuewire.com))** - A competent anesthesiologist, Dr. Younas is affiliated with Texas Partners Healthcare Group, serving patients in the Allen, Anna, Frisco, Dallas, Mansfield, and Denton areas. He practices comprehensive pain management to treat low back pain, knee arthritis pain, neck pain and migraines, and rejuvenation/stem cells. He specializes in migraine

therapy care by performing a sphenopalatine block, knee pain using Cool Leaf knee ablation, tendinitis using prolotherapy, and sciatica using Joimax endoscopic disc program.

The mission at Texas Partners Healthcare Group is to relieve pain and improve patients' quality of life through personalized and accessible care. They value their patients and are committed to being the best in all they accomplish. They pride themselves in having a group of experienced and dedicated physicians and practitioners who all share the same values, and are dedicated to advancing their medical knowledge through research and sharing their discoveries for the benefit of their patients and future health care professionals. Through this dedication, they are able to offer the most advanced medical care available to the patients that they serve.

A proud cum laude graduate from Amherst College, majoring in neuroscience and researching pain pathways, Dr. Younas earned his medical degree from St. George's University School of Medicine and completed his residency in anesthesia at New York University.

With an unwavering commitment to his specialty, the doctor is board-certified in anesthesiology by the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology.

On a professional level, he is an active member of the Texas Medical Association, the Dallas Physicians Association, and the American Society of Anesthesia.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. Anesthesiologists have a vast amount of responsibilities that include vigilant monitoring of the patient's vital signs during surgery, managing acute pain, maintaining safety, and most importantly, acting as the patient's advocate in the operating room.
