Addressing comments! ★

Get to know us

First things first, we are not a “rip-off” facebook. 😂. We are simply a social media website for users who are new to social media, normal users can definitely use us aswell. Yes we are a registered business. And finally, we have many great features to come! Leave feedback by messaging support! :)

P.S, sorry, we had to address these comments.

Life could be a dream Life could be a dream Do-

Los Angeles, California Jun 5, 2022 (IssueWire.com) - Bleable is the ultimate social media website for people who are new to social media. Users who already have experience with social media can also use us as well. Our website link for Bleable is <https://bleable.xyz>. For support, you can email support@bleable.xyz, or you can contact support directly from our website. For help and tutorials, visit the help center. Users have full control of their profile customization. To sign up, users have to provide their username, email, and password. Bleable also holds legal data from users, if users would like their private data to be exported and deleted, they can send us a request in settings.
