

Brickred Systems strengthens Overall Core Outsourcing Capabilities with the acquisition of Evenflow Solutions

Redmond, Washington Jun 16, 2022 ([Issuewire.com](https://www.issuewire.com)) - Brickred Systems ("Brickred" or the "Company"), a leading Software Consulting solutions company today announced that it has acquired EvenFlow Solutions ("Evenflow"). Evenflow is a leading supplier of outsourced Technical and Accounting/Finance based solutions.

The acquisition of EvenFlow further diversifies Brickred's service offerings and significantly extends the Company's ability to solve complex challenges in Health Care, Health Care Insurance Providers, Financial Services, and E-Learning categories. The acquisition puts both organizations under common ownership and offers each the opportunity to diversify their business mix, expand service offerings and provide more prospects for clients and candidates, according to Brickred Systems.

EvenFlow Solutions, founded in 2019 and headquartered in Dallas, Texas, has established itself as a valued consulting partner to Healthcare Service providers by optimizing their business models and services

John Cooke, President, and CEO, EvenFlow, added: "We're excited to join the Brickred family and to work alongside their team of technical experts. Our two companies are aligned in our shared vision of being a global leader in engineering and technical consulting. Together, we will continue to provide and expand our professional expertise and client services to our valued clients. As we begin to write the next chapter in Brickred's story, we are excited to leverage this new affiliation for innovative solutions and growth in all aspects of our business."

"I am glad to announce the acquisition of EvenFlow Solutions," said Pankaj Mohindru, Director of Brickred Systems. "This acquisition will lead to deeper and potential multi-year engagements across our Healthcare, and accounting client base in the areas of digital engineering and assurance and will help us influence business and digital outcomes in our Fortune 500 and Global 2000 existing accounts," he further said."

"At Brickred we are willing to bet on future business models, investing in innovative platforms that have a ripple effect to accelerate modern-day digital assurance and digital engineering services for our esteemed customers. This acquisition will help us fill in all our criteria, and we are confident that with our insight-driven and outcome-based approach, this will be a successful strategy for the future," added Pankaj.

About BrickRed Systems
